

# Marvin Gaye, Right On

(Earl DeRouen/Marvin Gaye)

Hey baby  
That's alright people  
I know that's alright  
Oh, when we love each other  
I know that's alright  
Oh feel it, feel it  
Oh everybody feel it  
God know that's alright, yes  
Some of us were born  
With money to spend  
Some of us were born  
For races to win  
Some of us are aware  
That it's good for us to care  
Some of us feel the icy wind  
Of poverty blowing in the air  
For those of us who simply like to socialize  
For those of us who tend the sick  
Ah, and heed the people's cries  
Let me say to you  
Right on  
Right on, feel it  
Yea, oh, oh, Oh Lord, Lord, people  
And I say, Right on  
Honey right on  
For those of us who live  
Where peace is craved  
For those of us who live, uh-huh  
Where hatred is enslaved, alright  
For those of us who live a life  
Yea, surrounded by good fortune and wealth  
Talk about it  
Those of us who live a life  
Hey, hey, hey enjoying ourselves  
For those of us who got drowned  
In the sea of happiness  
For the soul that takes pride in his God  
And himself and everything else  
Love  
That's all it is  
We need love  
That's all it is  
Oh, oh  
Love, love  
Love's the thing  
Love, love, love, love  
Sweet love, love  
Wonderful love  
Ah, true love, love  
Love for your brother  
Love, for God  
Pure love  
Love can conquer hate everytime  
Give out some love and you'll find  
Peace sublime  
And my darling, one more thing  
If you let me, I will take you  
To live where love is King  
Ah, ah baby, baby  
Ah, ah, ah, baby  
People, people  
People who love and care

That's alright  
Alright  
Ah....
