

Marvin Gaye, Teach Me Tonight

(S. Cahn/G. DePaul)

Did you say I've got a lot to learn?
Well, don't think I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight

Starting with the ABC of it
Right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight

The sky's a blackboard high above you
If a shooting star goes by
I'll use that star to write "I love you";
1000 times across the sky

One thing isn't very clear, my love
Should the teacher stand so near, my love?
Graduation's almost here, my love
Teach me tonight
