

# Mary J. Blige, A Dream

Mary J Blige  
A Dream

(Chorus)  
A dream  
A simple fantasy  
That I  
Wish was reality  
That you  
Come knocking at my door  
And we  
Relive this dream once more

(Verse 1)  
Last night I dreamed  
That you were here with me  
And we were in each other's arms  
It was oh so heavenly  
You held me close to you  
And whispered in my ear  
Let's spend the night together  
Sharing love beyond the bed

(Bridge)  
As we danced to the melody  
We had so much to share  
And the music stopped  
In a flash I was all alone  
It was just a dream  
Haunting me once again

Chorus  
A dream  
A simple fantasy  
That I  
Wish was reality  
That you  
Come knocking at my door  
And we  
Relive this dream once more

(Verse 2)  
The day you left  
You said you would return  
Just when couldn't promise  
That you needed some time alone  
You said you'd love me  
And someday our love would be  
I couldn't understand it  
I thought we were both happy

(Bridge)  
As we danced to the melody  
We had so much to share  
Then the music stopped  
In a flash  
I was all alone  
It was just a dream  
Haunting me once again, oh

Chorus  
A dream  
A simple fantasy  
That I

Wish was reality  
That you  
Come knocking at my door  
And we  
Relive this dream once more

A simple fantasy  
That I
