

# Mary J. Blige, A Night to Remember

We're gonna  
We're gonna make this a night  
Listen

When you love someone that's matchful not demanding  
That's one thing I'm proud to say I found in you  
I'm so glad we reached that understanding  
Now I know my heart is safe with you  
So now my love to you baby I surrender

Get ready, tonight  
Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember

Celebration to my heart, could stay united  
And there is nothing in this world to come between me and you  
We're together and it keeps me so excited  
To think of what the power of our love can do  
Oh, and I'm filled with a love that's so, so I surrender

Get ready, tonight  
Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember

We're gonna make this a night  
We're gonna make this a night  
You won't forget, I won't forget

Get ready, tonight  
Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember

Let's make a toast to those who help make this occasion  
They turn their backs on God  
But that's what drove you straight to me  
Now with you I'll make a lasting dedication  
I'll show you all the love that life can be  
Oh, and these days that I will never deliver

Get ready, tonight  
Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember

We're gonna make this a night  
We're gonna make this a night  
We gotta make this a night  
We gotta make this a night
