

# Mary J. Blige, All That I Can Say- Remix

[Mary]  
Ooh, ooh

[Rah Digga]  
Uh, uh, uh The Rah D-I-G  
Here to rap on behalf  
All the females headed down the wrong path  
Things gonna change when we hit the set  
Put an end to the pain and the disrespect  
My Flipmode brother gonna switch his pitch  
Like we ain't supposed to know when he talking to a chick Too fly for that to  
even make that an issue  
Take little chicken head baby moms with you

[Mary]  
Loving you is what I thought  
In my mind was a miracle  
But times have changed and you have changed with them too How foolish of me  
To think that you would be  
Someone that I can hold on to  
Something in my mind  
Was warning me all the time  
That you were no angel and neither was I  
I tried and tried and tried  
To bring peace into our lives  
But you continued to flip and try to take control of my life and I

(Chorus)  
1 - [Mary] (Rah Digga)  
I don't know  
Where we went wrong  
All that I can say  
He never loved me anyway  
(He didn't love you, he didn't love you, come on)

[Mary]  
I have been with you  
Through everything that you've gone through  
But it hurts me to my heart that you don't realize  
That I've only stayed around, not to cry tears of a clown But to someday end up  
being your wife but you lie Liar, cheater, deceiver and a woman beater  
About to give up  
Because you want me to sell it short  
Boyfriend, little boy  
I've been played like a toy  
Wondering in your heart  
To give someone else a brand new start

Repeat Chorus (2x)

[Rah Digga]  
How ill is this?  
Playing games with my mental  
All them other heartbreaker dealers I've done went through I'm just too fly for  
that  
Now all the ladies say, I'm just too fly for that  
And now don't be surprised  
Catching you in all kinds of lies  
If a honey come flip, start chasing you with knives  
You gonna feel the wrath that's word is bond  
Cause ain't nothing worse than a ghetto chick scorned
