Mary J. Blige, All That I Can Say (Remix)

[Mary] Ooh, ooh [Rah Digga] Uh, uh, uh The Rah D-I-G Here to rap on behalf All the females headed down the wrong path Things gonna change when we hit the set Put an end to the pain and the disrespect My Flipmode brother gonna switch his pitch Like we ain't supposed to know when he talking to a chick Too fly for that to even make that an issue Take little chicken head baby moms with you [Mary] Loving you is what I thought In my mind was a miracle But times have changed and you have changed with them too How foolish of me To think that you would be Someone that I can hold on to Something in my mind Was warning me all the time That you were no angel and neither was I I tried and tried and tried To bring peace into our lives But you continued to flip and try to take control of my life and I [1 - Mary (Rah Digga)] I don't know Where we went wrong All that I can say He never loved me anyway (He didn't love you, he didn't love you, come on) [Mary] I had been with you Through everything that you've been through But it hurts me to my heart that you don't realize That I've only stayed around, not to cry tears of a clown But to someday end up being your wife but you lie Liar, cheater, deceiver and a woman beater About to give up Because you want me to sell it short Boyfriend, little boy I've been played like a toy Wondering in your heart To give someone else a brand new start [Repeat 1 (2x)] [Rah Digga] How ill is this? Playing games with my mental All them other heartbreaker dealers I've done went through I'm just too fly for that Now all the ladies say, I'm just too fly for that And now don't be surprised Catching you in all kinds of lies If a honey come flip, start chasing you with knives You gonna feel the wrath that's word is bond Cause ain't nothing worse than a ghetto chick scorned [Repeat 1 till end]
