

# Mary J. Blige feat. Jay Sean, Each Tear

There's something that I want to say  
But I feel like I don't know how  
Still I just can't hold it one more day  
So I think I'll let it out

No mistake  
You're on my mind more than I may show (no mistake)  
You're in my heart more than you may know  
And the last thing that I want  
Is for you to fall apart  
The future will get clearer  
I want you to remember

Each tear  
there's a lesson (there's a lesson)  
Make you wiser than before (wiser)  
Makes you stronger than you know (stronger)  
Each tear (each tear)  
Brings you closer to your dreams  
No mistake, no heartbreak  
Can take away what you're meant to be  
We can't change the things that we've done  
That's in the past  
But fighting won't get us anywhere  
So if you want, here's my hand

No mistake  
Every night there is one thing I do (no mistake)  
I bow my head and pray for you (pray for you)  
And the last thing that I want  
Is for you to fall apart  
The future will get clearer  
I want you to remember

Each tear  
there's a lesson (there's a lesson)  
Makes you wiser than before (wiser)  
Makes you stronger than you know (stronger)  
Each tear (each tear)  
Brings you closer to your dreams  
No mistake, no heartbreak  
Can take away what you're meant to be

You're much more than a struggle that you go through  
You're not defined by your pain so let it go  
You're not a victim  
you're more like a winner  
And you're not a defeat  
you're more like a queen

Each tear  
there's a lesson  
Makes you wiser than before  
Makes you stronger than you know (stronger than you know)  
Each tear (each tear)  
Brings you closer to your dreams  
No mistake, no heartbreak  
Can take away what you're meant to be

Each tear (each tear)  
there's a lesson (there's a lesson)  
Makes you wiser than before (wiser)  
Makes you stronger than you know  
Each tear (make you so much stronger)

Brings you closer to your dreams  
No mistake, no heartbreak  
Can take away what your meant to be

No no we can't be held down  
No no oh no I can't held down  
You you you can't be held down  
We we we can't be held down

Love  
It makes you so much stronger (stronger)  
It makes you so much wiser (wiser)  
Each tear (in each tear)  
And you're so close to your dreams and  
No mistake, no heartbreak can take away what you're meant to be.
