

# Mary J. Blige, Get To Know You Better

[Vs.1]

Why do we go through things unnecessary  
Why can't we understand that our love is the key  
We can solve any problem if we only were meek  
But you won't take the time to try and understand me  
Our Love

[Bridge]

Our love will grow much stronger  
(grow much stronger)  
Our love will last much longer (last)  
If we would take the time out  
To find out what love is all about  
That's why I'm saying

[Chorus]

I wanna get to know you better (only if you let me)  
Only if you let me  
Love will grow much faster  
Happy ever after  
That is what I'm after  
I just wanna be with you, you

[Vs.2]

I do not understand why we can't make it  
But I will tell you one thing  
I'm not trying to fake it  
You can stay if you want to  
Cause my love is the same  
I will not disappoint you  
And I won't be the blame  
Our love

[Bridge]

That is why I'm sayin'

[Chorus]

La la la la la la (la la la la la la la)  
La la la la la la (whoa laaa)  
La la la la la la (la la la)  
La la la la la la (la la)

[Chorus until fade]
