

# Mary J. Blige, I Am

Hey no... noo oh  
Ain't nobody gonna treat you better  
Ain't nobody gonna touch you better  
Ain't nobody gonna love you better boy than I am  
Than I am

When your out at night and your in the streets  
And you have her to yourself  
Think of all the love that you get from me  
That you can't find nowhere else  
When your far away and I'm not around  
And temptation fills your heart  
Think of all the ways that I'm faithful babe  
To replace me would be hard  
Cause ain't nobody

Ain't nobody gonna treat you better  
Ain't nobody gonna touch you better  
Ain't nobody gonna love you better boy than I am  
Than I am  
(nobody, nobody) than I am (3x)  
Ohh Ain't nobody gonna treat you better than I am

You can try to act single if you wanna  
You can go ahead and mingle if you wanna  
You can even behave like you don't care  
But you know (but you know) like I know (like I know)  
That you ain't that foolish  
Who you foolin'? You won't ruin  
What's been here all along, you ain't movin'  
From what you've got at home

Ain't nobody gonna treat you better  
Ain't nobody gonna touch you better  
Ain't nobody gonna love you better boy than I am  
Than I am  
(nobody, nobody) than I am (3x)  
Ohh nobody gonna treat you as good as I am  
I just want you to know  
Baby I love you so  
There is no need to go lookin' for nothin more  
Cause I've got everything you'll ever need right here  
But if you feel that you need to leave  
Just know!!

Ain't nobody gonna treat you better  
Ain't nobody gonna touch you better  
Ain't nobody gonna love you better boy than I am  
Than I am  
(repeat)  
(nobody, nobody) than I am (3x)  
Ohh nobody gonna treat you as good as I am
