## Mary J. Blige, Keep Your Head

[Verse 1:]

The day seems so very long But I'm trying to be strong (Trying to be strong) Well, hold on, I say Things will soon turn my way And then I'll have a clear view But I gotta keep

[Chorus:] Keep your head to the sky I don't need to tell you why Keep your head to the sky I don't need to tell you why

[Verse 2:] I sometimes get worried And I wonder why I worry Cause I know that I will make it through the storm I'm tryin not to lose my cool Because if in this world I do The only person that's gonna miss out on everything is me And I gotta keep

[Chorus]

oooh, ooh oh, ooh, oh Keep your head up Don't you look down for nobody Don't you do it, don't you do it Keep your head

[Chorus]

Everyday's a struggle But struggling to be Is very hard, so very hard Because I'm out here trying to do the right thing And when I look around here's the wrong thing Tempting me to make me disagree About how I feel about me But I gotta keep

[Chorus]
