

Mary J. Blige, Mary's Joint

oh, no no no...

[Verse 1]

I know

That you're just a man

But you're all the man I need

And I know

That you care and you'll never leave

No, you'll never leave

[Chorus]

I love you so

I can't let go

You know it's real

The way I feel

I want to stay

I'll try to wait

On you my dear

My love's sincere

[Verse 2]

You promised

That you never would cheat or lie

Lie to me, don't lie to me babe

And you promised

That you'd trust and believe in me

Please believe in me

Unnecessary pain (pain is pain)

Now tell me who would get the pain

(You know it hurts)

If we should go astray

What would we do

What would we say

[Chorus]

[During Chorus]

I wanna stay

You know I'll wait

I wanna stay

I'll try to wait on you, my dear

Baby you know, Baby you know

Baby you know, Baby you know

I wanna stay forever and a day

Oh, I love you

Oh, I need you

Everything is gonna be alright

You know I'll try to wait

I love you baby, love you baby yeahhh

[Hook]

Why can't we work it out

Why baby? can't we try (why, why, why, why, why)

You said our love would always stand the test of time

[repeat through chorus]

Let's take our time

Let's build our love

Stronger than it ever was
