

Mary J. Blige, No One Else

[Verse 1]

Many have called but the chosen are few
The best of the few is you
You know exactly what to do
Baby, your time is so perfect
Why in the hell I deserve it
Keep on doin' what you do

[Chorus]

No one else
No one else
Can do me like you do me
No one else
No, no one else
Can do me like you do me

[Verse 2]

Happy 1 plus happy 1 is 2
Happy 2 is me and you
Our love was meant to be
Yes, we have our up's and down's
But some how we came around
And we made each other love so free

[Bridge:]

Can't lie
Now I'm satisfied
Yes I'm satisfied
Even when I cry
Won't stray
Stray away from you
I would be a fool
You know these words are true

[Chorus]

[Repeat bridge]

[Chorus and adlib until fade]
