

# Mary J. Blige, Not Gon

(vs.1)

While all the time that I was loving you  
You were busy loving yourself  
I would stop breathing if you told me to  
Now youre busy loving someone else  
Eleven years out of my life  
Besides the kids I have nothing to show  
Wasted my years a fool of a wife  
I shoulda have left your ass a long time ago

(chorus)

Well Im not gon cry,  
Im not gon cry,  
Im not gon shed no tears  
No, Im not gon cry,  
Its not the time  
Cuz youre not worth my tears  
Well Im not gon cry,  
Im not gon cry,  
Im not gon shed no tears  
No, Im not gon cry,  
Its not the time,  
Cuz youre not worth my tears

(vs.2)

I was your lover and your secretary  
Working every day of the week  
Was at the job when no one else was there  
Helping you get on your feet  
Eleven years of sacrifice  
And you can leave at the drop of a dime  
Swallowed my fears, stood by your side  
I shoulda left your ass a thousand times

(chorus)

I know there are no guarantees  
In love you take your chances  
But somehow it seems unfair to me  
Look at the circumstances  
Through sickness and health till death do us part  
Those were the words that we said from our hearts  
So now when you say that youre leaving me  
I dont get that part

(repeat vs.2)

(chorus)
