## Mary J. Blige, One

Is it getting better Or do you feel the same? Will it make it easier on you now? You got someone to blame You say one love, one life (one life) It's one need in the night One love (one love), get to share it Leaves you darling, if you don't care for it Did I disappoint you? Or leave a bad taste in your mouth? You act like you never had love And you want me to go without Well it's too late, tonight To drag the past out into the light We're one, but we're not the same We get to carry each other Carry each other One... Have you come here for forgiveness? Have you come to raise the dead? Have you come here to play Jesus? To the lepers in your head Well, did I ask too much, more than a lot? You gave me nothing, now it's all I got We're one, but we're not the same Cos if we, hurt each other Then we do it again You say Love is a temple Love is a higher law Love is a temple Love is the higher law You ask me to enter Well then you make me crawl And I can't be holding on To what you got When all you got is hurt One love One blood One life You got to do what you should One life With each other Sisters and my Brothers One life But we're not the same We get to\* Carry each other Carry each other One... One love
