

# Mary J. Blige, Roses

[Talk:]

See today I'm having one of them days where  
I just don't want to be bothered,  
but it seems like you can't understand that because it's your way or no way,  
but check this out  
And I'm really, really sick and tired of you steppin' into my little box  
When I just don't want to be bothered okay, so check this out.

[Verse 1:]

I've had my ways, and I've had my share of ups and downs.  
I been in trouble, and I couldn't tell my ups from downs  
I been your baby, and I don't know why you don't seem like that no more  
welcome to the new definition of love.

[Chorus:]

It ain't all roses hey,  
flowers imposing hey  
said it ain't all candy hey  
this love stuff is demanding hey  
Sometimes I need a hug [2x]

[Talk:]

See you just really wanna push all my buttons  
Cause you Mr. Right & I'm Mrs. Wrong,  
But right now today,  
I'm going to be the one to sing this song  
I'm going be Mrs. Right today it's my way, or the highway  
With you there's just no getting around that I got to be bumping heads with you  
What's up with that?

Listen see

[Verse 2:]

I love my man, and I know my place I know my worth  
I just can't stand  
to see myself as I hurt  
it's been along time, and I think that I can get a little more love from you  
I know some of yall go through it too cause

[Chorus (2x):]

[Talk:]

Sometimes I just wish you would just put your arms around me  
When I'm feeling so [4x] very needy  
But instead you just turn your back and say "suck it up"  
oh you don't know how I feel right now  
If you knew how I'm feeling on the inside you wouldn't say "suck it up";  
Now what tha' cause

[Chorus (2x)]

[Bridge:]

It' aint' all roses you know,  
Everybody ask me how good it is?  
It's great love is great  
When you just a mess yourself, it ain't gone be all roses.  
Cause you just want your time  
You wanna be selfish  
You know you don't want nobody messing with you  
You just want to rip somebodies head off when they try to step to you with some "Oh! You ne  
some help, Oh! You need to figure it out"; You figure it out [2x] You go figure It out, you suck  
it up [laugh chuckle]
