

# Mary J. Blige, Special Part Of Me

You know when you...  
Finally find that person that...  
makes you feel like you're really alive  
Like you're somebody, like you mean something to the world...  
Feels so good to be loved  
Yes it does  
ooooh  
ooooh  
Feels so good to see  
You right here with me  
Safe is what I feel when you're around  
(uh hu)  
Strong but sensitive  
Whne you're touching me  
The simple things from you is what I need...  
[Chorus]  
You will always be a special part of me  
Boy you make me feel like someone does love me  
I'm in love  
No one ever gave me what you did to me  
You turned the little girl into the woman I should be  
I'm in love...  
Boy you really turn me on  
Even when something's wrong  
Is there anything that I can do for you (baby)  
I just wanna comfort you  
There's nothing I'd rather do  
You make me feel so good I wanna cry  
All the time...  
[Repeat Chorus]  
Baby hold me  
(Baby hold me)  
Don't let go of me  
(Don't let go of me baby, baby)  
Baby hold me  
(Boy you better hold me)  
Don't let go of me  
(Don't let goooooo)  
Baby hold me  
(ooooooh)  
Don't let go of me  
(Don't let go, don't let gooooo)  
Baby hold me  
(Oh baby hold me)  
Don't let go of me  
(Don't let go, you....)  
[Repeat Chorus]
