

Mary J. Blige, Still Believe in Love (feat. Vado)

What up ha
Uh

I still believe in it, fear not
No strings attached, tongues out with your shell tops
Like Run-DMC wore, was lovin' you before
The G4s, yacht parties out on Capri shores
Ain't from Maryland but I think we could be more of an item (Uh-huh)
Size right on my ices
Trust me, nothing like 'em (At all)
Was times I would F they minds before I pipe 'em (I know)
Make 'em feel like the love of my life before I psych 'em

[Mary J. Blige:]
Well it's a whole new day, a whole new wave
Ain't worried about nothing
Everything's looking up, yeah
Well I was going through a phase, stuck in old ways
Always thinkin' somethin'
Like I ain't never good enough, yeah

I been thinkin' of the time that I wasted
I been lookin' in all the wrong places for love
That really brought me down, yeah
I'm so sick of being sad or lonely
Until I can find the one I know I need
I'll never give up on me, no

I still believe in love, oh
Oh love
Shoo-bee-doo-bee-doo-doo
I still believe in love, huh-huh
Still believe in love
Huh-huh-huh
Still believe in love
I still believe in

Just 'cause you see me alone and I'm all on my own
It don't mean a thing
Just know I could find me somebody so easily, yeah
I can't lower my standards
I demand a guy to treat me like the queen that I be
In the middle of the night fantasize he only thinkin' 'bout me

I been thinkin' of the time that I wasted
I been lookin' in all the wrong places for love
That really brought me down, yeah
I'm so sick of being sad or lonely
Until I can find the one I know I need
I'll never give up on me, no

I still believe in love, oh
Oh love
Shoo-bee-doo-bee-doo-doo
I still believe in love, huh-huh (Uh-huh)
Still believe in love (Oh love)
Huh-huh-huh
Still believe in love
I still believe in love
Uh-oh
Uh
Oh love
(I do, I do)
Shoo-bee-doo-bee-doo-doo

I still believe in love, huh-huh (Yes I do)
Still believe in love (Still believe)
Huh-huh-huh (In love)
Still believe in love
I still believe in

[Vado:]

Uh
My money is still attractive
Honey you're still the baddest
That OG status, elite savage
I pray for you
Them tough times made me made for you
Wish I was there to do them days with you
God bless you, you special
I first met you you was movin' with somethin'
But I could tell you was losin' with your uh
You wasn't used to that swag
Chanel bag, yeah you used to a ton
It goes back with men abusing the fun
I was one of 'em
Fresh from Essence
Harlem fly legend
Could tell he be flexin'
Pharrell LV dressin'
Collection
To see you happy be a blessin'
Guessin' no more stressin'
Yes me and you was destined (Uh)
Still believe the shit
Bad energy, negativity, leave that shit
I respect your following and your leadership
You the captain of my boat, you can lead the ship

[Mary J. Blige:]

I still believe in love, oh (Oh I still believe)
Oh love
Shoo-bee-doo-bee-doo-doo (Yeah-oh)
I still believe in love, huh-huh (Said I still believe in love)
Still believe in love
Huh-huh-huh (Yeah, yeah)
Still believe in love
I still believe in
