## Mary Mary, In The Morning

In the morning, you'll be alright In the morning, sun's gonna shine In the morning, no clouds in the sky When it's dark in your life, just wait for the daylight

Someone tell me what's wrong
Why my nights pass alone
It's getting hard to believe you can hear me
Then you give me a sign
That you heard me pray
You let me know
These darken nights won't last always
Cause'...

In the morning, you'll be alright In the morning, sun's gonna shine In the morning, no clouds in the sky When it's dark in your life, just wait for the daylight
