

# Mary Mary, Joy

Chorus:

I get joy, joy thinking about  
What He's done for me  
I get joy, joy thinking about  
What He's done for me  
It's in my hands, my feet  
I'm talking about  
What He's done for me  
I get joy just thinking about  
What He's done for me

Oh how I wonder when my soul looks back  
How I ever made it through my sinful, wicked past  
I did everything that I thought I wanted 'til it brought me down  
Then God reached out to me  
Now I'm here to tell you why

(chorus)

I've seen the bottom of the mountain  
I've had my share of pain  
I've been through so many struggles  
I thought I'd never breathe again  
So I prayed that God would help me  
I couldn't handle it no more  
Then He lifted every burden  
And that's why I get joy

(chorus)
