

Mason Musso, Call Me Over

Here we go!
Call me over, I'll be sleeping on your bed
Kill me softly, I'll be writing the words you said
I just wanna see your face
I just wanna, wanna see your face
Come and get me out of this place
Come and get me out of this place
Oh god I better figure this out
My heart is racing while you lay down
You've got the answer on the tip of your tongue
I'll kiss you and touch you then the truth will come
Look in my eyes, I'm in love, please believe me
A kiss and a touch, girl, you aim to deceive me
What am I supposed to do without you?
This is a game and I'll play if you want to
Call me over, I'll be sleeping on your bed
Kill me softly, I'll be writing the words you said
I just wanna see your face
I just wanna, wanna see your face
Come and get me out of this place
Come and get me out of this place
This is it, I'm leaving tonight
My back was turned and she used a knife
You broke my heart, you know damn well
Don't touch me now, don't cast your spell
Look in my eyes, I'm in love, please believe me
A kiss and a touch, girl, you aim to deceive me
What am I supposed to do without you?
This is a game and I'll play if you want to
Call me over, I'll be sleeping on your bed
Kill me softly, I'll be writing the words you said
I just wanna see your face
I just wanna, wanna see your face
Come and get me out of this place
Come and get me out of this place
This is it
This is it
This is it
Bye, my dear
Call me over, I'll be sleeping on your bed
Kill me softly, I'll be writing the words you said
I just wanna see your face
I just wanna, wanna see your face
Come and get me out of this place
Come and get me out of this place
