

# Mastodon, Megalodon

Myth or legend  
Nymph tale washed ashore  
Near the kraken sleepeth stirs coral and bone  
Infinite city  
No sexy sneer  
Hideous creation  
Human and animal  
Banter songs of rudeness to be adhered  
Not on rocks that glisten  
Harps to listen  
Comb hair  
Tear right to pieces  
Left to recess a watery grave  
Sensing the blood of prey  
Swimming in fear for life  
Rolling over  
Falling into jaws  
Teeth that chatter  
It distracts them all  
The Fiji mermaid  
She will let it know  
Time is coming to feed and know
