

# Mastodon, White Walker

Will them White Walkers?  
Will them all dead?  
Linker ... winter  
He's rebels ...  
Hide away your children  
Then hide away yourself  
Dig deep into mountain  
Dig far beyond the sky

They come down  
They come down the Wall  
They come down  
They come down the Wall

You can neither full steps  
Crucified fell stones  
You can neither bits them  
Oh, tell me where's my ...  
Harping every  
Sharpening their blade  
I pray for every one of them  
And sacrificed their names

They come down  
They come down the Wall  
They come down  
They come down the Wall

So we're waiting ...  
We're waiting ...  
Hiding inside the  
... for winter has come

They come down  
They come down the Wall  
They come down  
They come down the Wall

To save our souls  
To save our souls
