

Mat Kearney, Breathe In Breathe Out

Breathe in breathe out, tell me all of your doubt
Everybody bleeds this way, just the same
Breathe in breathe out, move on and break down
If everyone goes away, I will stay
We push and pull and I fall down sometimes
I'm not letting go, you hold the other line
'Cause there is a light in your eyes, in your eyes
Hold on hold tight if I'm out of your sight
And everything keeps moving on, moving on
Hold on hold tight make it through another night
Everyday there comes a song with the dawn
We push and we pull and I fall down sometimes
I'm not letting go, you hold the other line
'Cause there is a light in your eyes, in your eyes
'Cause there is a light in your eyes, in your eyes
Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out
Breathe in and breathe out
Look left look right
To the moon in the night
Everything under the stars is in your arms
There is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes
There is a light in your eyes, in your eyes
