

Matchbook Romance, In Transit (For You)

Dream baby for me I'll be waiting here for you
Pack your things fly to me
Scatter me across the sky
I'll shine all night
And just like a star I'll fall for you

Baby if you want me to
I'd do anything for you
Just say the word and I'd give you the world
Yeah but that's not good enough

Starlit sea will be our dance floor
And birds will sing our song
And your scars, your scars
Will heal for you

Baby if you want me to
I'd do anything for you
Just say the word and I'd give you the world
Yeah but that's not good enough

Baby if you wanted me to
Then why not say so
And let me go 'cause I can't shine bright enough for you
I shine for you
I fall for you
Dream baby for me
I'll be waiting here for you
