

Matchbook Romance, Playing For Keeps

Its so simple
And complicated the way you can crush me
No matter how much this hurts
This is through
I get as far as your door before I get caught
I make up excuses just to touch you and I can't stop,
I can't stop

So are we playing for keeps
These days begin and they don't end for weeks
Leave me left out of anything to do with you
Excuse me while I fall apart
Don't flatter yourself sweetheart
Let me take the wheel and I'll crash this car
Do you have to make this
So hard

Your so good (so good)
At pretending everything is alright
Your as welcome as cancer but my door is always unlocked

So are we playing for keeps
These days begin and they don't end for weeks
Leave me left out of anything to do with you
Excuse me while I fall apart
Don't flatter yourself sweetheart
Let me take the wheel and I'll crash this car
Do you have to make this
So hard

Your so good... (4X)
