

# Matchbox 20, Push

She said I don't know if I've ever been good enough  
I'm a little bit rusty, and I think my head is caving in  
And I don't know if I've ever been really loved  
By hand that's touched me, well I feel like something's gonna give  
And I'm a little bit angry, well  
This ain't over, no not here, not while I still need you around  
You don't owe me, we might change  
Yeah we just might feel good  
(Chorus)  
I wanna push you around, well I will, well I will  
I wanna push you down, well I will, well I will  
I wanna take you for granted, I wanna take you for granted, yeah I will, I will  
Well I will  
She said I don't know why you ever would lie to me  
Like I'm a little untrusting when I think that the truth is gonna hurt ya  
And I don't know why you couldn't just stay with me  
You couldn't stand to be near me  
When my face don't seem to want to shine  
'cuz It's a little bit dirty well  
Don't just stand there, say nice things to me  
I've been cheated I've been wronged you,  
And you don't know me, I can't change  
I won't do anything at all  
(Chorus)  
I wanna push you around, well I will, well I will  
I wanna push you down, well I will, well I will  
I wanna take you for granted, I wanna take you for granted, yeah I will, I will  
Oh but don't bowl me over  
Just wait a minute well it kinda fell apart, things get so crazy, crazy  
Don't rush this baby, don't rush this Baby, baby  
(Chorus)  
I wanna push you around, well I will, well I will  
I wanna push you down, well I will, well I will  
I wanna take you for granted, yeah, yeah, yeah  
I wanna take you, take you, yeah, well I will, I will, I will, I will  
I will, I will, I will, Yeah, yeah, push you around,  
I'll drag you down, I wanna push you around  
Well I will
