Matchbox 20, Push

She said I don't know if I've ever been good enough

I'm a little bit rusty, and I think my head is caving in

And I don't know if I've ever been really loved

By hand that's touched me, well I feel like something's gonna give

And I'm a little bit angry, well

This ain't over, no not here, not while I still need you around

You don't owe me, we might change

Yeah we just might feel good

(Chorus)

I wanna push you around, well I will, well I will

I wanna push you down, well I will, well I will

I wanna take you for granted, I wanna take you for granted, yeah I will, I will Well I will

She said I don't know why you ever would lie to me

Like I'm a little untrusting when I think that the truth is gonna hurt ya

And I don't know why you couldn't just stay with me

You couldn't stand to be near me

When my face don't seem to want to shine

'cuz It's a little bit dirty well

Don't just stand there, say nice things to me

I've been cheated I've been wronged you,

And you don't know me, I can't change

I won't do anything at all

(Chorus)

I wanna push you around, well I will, well I will

I wanna push you down, well I will, well I will

I wanna take you for granted, I wanna take you for granted, yeah I will, I will Oh but don't bowl me over

Just wait a minute well it kinda fell apart, things get so crazy, crazy

Don't rush this baby, don't rush this Baby, baby

(Chorus)

I wanna push you around, well I will, well I will

I wanna push you down, well I will, well I will

I wanna take you for granted, yeah, yeah, yeah

I wanna take you, take you, yeah, well I will, I will, I will, I will

I will, I will, I will, Yeah, yeah, push you around,

I'll drag you down, I wanna push you around

Well I will
