

# matchbox twenty, Hand Me Down

Someday they'll find your small town world  
On a big town avenue  
Gonna make you like the way they talk  
When they're talking to you  
Gonna make you break out of your shell  
'Cause they tell you to  
Gonna make you like the way they lie  
Better than the truth  
They'll tell you everything  
You wanted someone else to say  
They're gonna break your heart, yeah

(Chorus)  
From what I've seen  
You're just one more hand me down  
'Cause no one's tried to give you  
What you need  
So lay all your troubles down  
I am with you now

Somebody oughta take you in  
Try to make you love again  
Try to make you like the way they feel  
When they're under your skin  
Never once do you think that they would lie  
When they're holding you  
Then you wonder why they haven't called  
When they said they'd call you  
You'll start to wonder  
If you're ever gonna make it by  
You'll start to think  
You were born blind

Chorus

I'm here for the hard times  
The straight to your heart times  
When living ain't easy  
You can stand up against me  
And maybe rely on me  
And cry on me, yeah

Oh no, no, no

Someday they'll open up your world  
Shake you down to the drawing board  
They'll do their best to change you  
They still can't erase you

(Chorus)  
Lay them down on me  
Oh yeah  
You're just one more hand me down  
And all those nights  
Don't give you what you need  
So lay all your troubles down  
On me
