## matchbox twenty, Push

She said I don't know if I've ever been good enough I'm a little bit rusty, and I think my head is caving in And I don't know if I've ever been really loved By a hand that's touched me And I feel like something's gonna give And I'm a little bit angry Well, this ain't over, no, not here Not while I still need you around You don't owe me, we might change Yeah, we just might feel good

I wanna push you around Well, I will Well, I will I wanna push you down Well, I will Well, I will I wanna take you for granted I wanna take you for granted Yeah, yeah, well, I will

She said I don't know why you ever would lie to me Like I'm a little untrusting When I think that the truth is gonna hurt ya And I don't know why you couldn't just stay with me You couldn't stand to be near me When my face don't seem to want to shine 'Cause it's a little bit dirty Well, don't just stand there, say nice things to me 'Cause I've been cheated, I've been wronged And you, you don't know me Yeah, well, I can't change I won't do anything at all

I wanna push you around Well, I will Well, I will I wanna push you down Well, I will Well, I will I wanna take you for granted I wanna take you for granted Yeah, yeah, well, I will

Oh, but don't bowl me over Just wait a minute, well, it kinda fell apart Things get so crazy, crazy Don't rush this baby, don't rush this baby, baby

I wanna push you around Well, I will Well, I will I wanna push you down Well, I will Well, I will I wanna take you for granted, yeah, yeah, yeah I wanna take you, take you Yeah, well I will I will, I will I will, I will, I will I will, I will, I will I will, yeah Push you around And push you down I wanna push you around Well I will
