

Matias Lehtola, Burning Bright (feat Gina J)

I can't let you fade away, in my mind.

Forever...

You disappeared one day left behind.

No answer...

And I'll hold on to this cause' I feel you belong to me.

I'll keep holding on I'll keep holding on yeah...

Untill I found you.

Oh see what's inside my dreams

Oh, I'll keep you burning.

Verse 2

Will you find a way to carry on?

I'll keep waiting and waiting for you.

And all that we share is still in my mind so strong.

I'll keep waiting and waiting...

Bridge

I hold on to this cause' I feel you belong to me.

I'll keep holding on I'll keep holding on yeah...

Until I found you.

Oh, see what's inside my dreams

Oh, I'll keep you burning.

Chorus

Bright inside

I'll never say it's over

I still feel you.. and

The sparkle in your eyes

I'll find.

I'll never say it's over.
