Kaleidoscope... Dreamin'  
Kaleidoscope... Dreamin'

I close my eyes I'm sleepin'  
Driftin' subconscious sleep  
I'm running into danger  
Slow motion and I can't break free

I see my own reflection  
Somebody's next to me  
Her head is on my shoulder  
I turn and then I'm falling

Into a dream  
That is not what seems  
When you're just  
Out of reach

Kaleidoscope... dreamin'  
Kaleidoscope... dreamin'

I see you in the distance  
You're laughin' back at me  
You're in a crowd of people  
I get a deep anxiety

The more I try to reach you  
You move away from me  
I try to call your name but  
No one can hear me calling

Into a dream  
That is not what seems  
When you're just

Out of reach

Kaleidoscope... dreamin'  
Kaleidoscope... dreamin'

{whistling}

Kaleiiiiiiiiiiiiidoscope... dreeeeeeeeeeamin'  
Kaleiiiiiiiiidoscope... dreamin'  
dreamin'

You've got me thinkin'  
That I'm sleepin'  
Always double dealin'  
That I'm sneakin'  
Oh, heavy breathin'  
Runnin' and a screamin'

Kaleidoscope...(dreamin') dreamin' (dreamin' dreamin')  
Kaleidoscope... (kaleidoscope double dealin') dreamin' (oh, heavy breathin')

Kaleidoscope...(oh, double dealin') dreamin' (dreamin' dreamin')

Dreamin'  
Dreamin'

Kaleidoscope... dreamin'  
Kaleidoscope... dreamin'

Kaleidoscope... dreamin'  
Kaleidoscope... dreamin'
