

# Matt Bianco, Ordinary Day

This big-time ride is all I know  
A picture-perfect life on show  
Stellar nights that never end  
And people claim to be your friend  
But you are the one I need  
No place I'd rather be  
Here only I can breathe  
Love is a simple thing for free  
Please don't take that away from me  
Forgive me if it sounds mundane  
What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day  
Don't say big words or even try  
To build me castles in the sky  
No clever tales if true who knows?  
I choose the plainly spoken prose  
But you are the one I need  
No place I'd rather be  
Here only I can breathe  
Love is a simple thing for free  
Please don't take that away from me  
Forgive me if it sounds mundane  
What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day  
cause you are one i need  
theres no place id rather be  
cause love is free and simple  
please you cant take that away from me  
excuse me if its all the same  
what matters now is our ordinary day  
What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day
