

# Matt Dusk, A million kisses late

Didn't know how much I loved her  
I'll never know what might have been  
I'd give anything to hold her  
And have her back again  
I never should'a let her go  
So many things I should'a let her know  
Should'a held her in my arms said baby no, please wait  
I woke up to find, she had changed her mind  
I'd run out of time, 'bout a million kisses too late  
No I'm no good without her  
And I feel lost out on the streets  
Ask all out friends about her  
And the news is bittersweet  
I never should'a let her go  
So many things I should'a let her know  
Should'a held her in my arms said baby no, please wait  
I woke up to find, she had changed her mind  
I'd run out of time, 'bout a million kisses late  
I let her walk away, I lost it all that day  
Don't make the same mistake  
I never should'a let her go  
So many things I should'a let her know  
Should'a held her in my arms said baby no, please wait  
I woke up to find, she had changed her mind  
I'd run out of time, 'bout a million kisses too late
