

# Matt Pokora, Get Down On It

C'mon!

Uh, what you gonna do? Do you wanna get down?

Yo, what you gonna do? Do you wanna get down?

Get down on it!

How are you gonna do it if you really don't wanna dance

By standing on the wall - (get your back up off the wall) tell me

How are you gonna do it if you really don't wanna dance

By standing on the wall - (get your back up off the wall) cause I heard all the people say

Get down on it (c'mon now), get down on it (if you really want it) get down on it (you got a feeling), get down on it (get down on it)

Get down on it (c'mon now), get down on it (baby, baby), Get down on it (get down on it), get down on it (get down on it), I said people,

Uh, what you gonna do?

You gotta get on the groove

If you want your body to move - tell me baby

How are you gonna do it if you really don't wanna dance,

By standing on the wall - (get your back up off the wall) tell me

How you gonna do it if you really won't take a chance,

By standing on the wall - (get your back up off the wall)

Cause I heard all the people say

Get down on it (c'mon now), get down on it (if you really want it) get down on it (you got a feeling), get down on it (get down on it)

Get down on it (c'mon now), get down on it (baby, baby), Get Down on it (get down on it), get down on it (get down on it)

Uh, what you gonna do? Do you wanna get down?

Yo, what you gonna do? Do you wanna get down?

Get down it!
