

Matt Pond PA, Green Pennies

it's all about the insides
they should be left alone
shattering incisions into what is best unshown

i'm saving all my pennies
green pennies, green pennies

it's all about the insides
and who is in control
to understand is to bet upon which is the better pole

i'm saving all my pennies
green pennies, green pennies

the past is all for free
depending what you see
some day you'll be sorry
