

# Mattafix, I To You

In so many ways,  
I'm not a fighter I'm a lover.  
This aint the old days.  
And I'm a 21st century brother.

And if you don't know,  
Who I am you will never know.  
You don't know,  
You so you try to keep it on a down low.  
Unless you,  
Wanna tell me when I ask you...

Who am I to you?

Your mamma don't know.  
Your daddy aint sure.  
Who am I to you?

Everybody you know,  
Pass me straight on the road.  
Now I'd like to know,  
Who am I to you?

The sun is going down,  
And the streets are getting empty.  
I'm a stranger in your town,  
I'll be a friend if you would let me.

And if you don't know,  
Who I am you will never know.  
You don't know,  
You so you try to keep it on a down low.  
Unless you,  
Wanna tell me when I ask you...

Who am I to you?

Your mamma don't know.  
Your daddy aint sure.  
Who am I to you?

Everybody you know,  
Pass me straight on the road.  
Now I'd like to know,  
Who am I to you?

Who am I to you?

Your mamma don't know.  
Your daddy aint sure.  
Who am I to you?

Everybody you know,  
Pass me straight on the road.  
Now I'd like to know,  
Who am I to you?
