

Mattafix, In The Background

Yes I am the boy,
Who once worshipped you.
As you seemed to destroy the ground beneath you.
No more am I,
A part of the cycle,
Or the boy who once worshipped you.

They don't know,
Cause they don't know you like I do.
You say you're back now and you,

You say you want me,
I don't believe you.
Cause I'm on track now.
You're in the background.
You say you want me,
Do you really?
I don't believe you,
Nor do I need you,
Cause you're in the background,
You're in the background.

Yes I know you've travelled,
Over seas and rivers.
But you cant come back now for there are no bridges.
There's a trail of sorrow,
That you revealed to,
The eyes of a boy,
Who once worshipped you.

They don't know,
Cause they don't know you like I do.
You say you're back now and you,

You say you want me,
I don't believe you.
Cause I'm on track now.
You're in the background.
You say you want me,
Do you really?
I don't believe you,
Nor do I need you,
Cause you're in the background,
You're in the background.

You say you want me,
I don't believe you.
Cause I'm on track now.
You're in the background.
You say you want me,
Do you really?
I don't believe you,
Nor do I need you.

You say you want me,
I don't believe you.
Cause I'm on track now.
You're in the background.
You say you want me,
Do you really?
I don't believe you,
Nor do I need you,
Cause you're in the background.
