

Mattafix, Older

All I wanted was to live without the middleman.
All you needed was a chance to say, "I told you so";
When you're cold and battered all you want is to know you matter to someone.

And I had to throw away all the plans we made and now these days.
With marks against my shoulders I feel like I'm older than I am.

All I want right now is to be my own child.
Do you think it makes me a better man just to know I can be alone a while?

And I had to throw away all the plans we made and now these days.
With marks against my shoulders I feel like I'm older than I am.
I am.
