

Mattafix, Stranger Forever

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
Before I move along,
Tell me where I know you from.
Maybe I am mistaken,
Maybe you'll stay a stranger.

It's alright,
I'm the innocent type you can talk to.
It's ok,
The inquisitive type don't walk away.
I sing ahhhhhhhh.
I sing ahhhhhhhh.

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
Before I move along,
Tell me where I know you from.
Maybe I am mistaken,
Maybe you'll stay a stranger.

Familiar vibe within you,
It's what I recognize.
Familiar vibe within you,
Makes me sing ahhhhhhhh,
Sing ahhhhhhhh.

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
Before I move along,
Tell me where I know you from.
Maybe I am mistaken,
Maybe you'll stay a stranger.

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
Before I move along,
Tell me where I know you from.
Maybe I am mistaken,
Maybe you'll stay a stranger.

Excuse me where you from?
I definitely know you.
A chance I could be wrong.
And you are a stranger.
