

Matthew Sweet, Born In Sin

In the way are several things
and the pain that growing brings
but there's no way to keep it pure
of this I'll make you sure

'Cause I was born in sin
I was born in sin

Baby I feel romantic
but I'm just a sick snuff freak
it's so hard to look you in the eye
when you know where I've been

'Cause I was born in sin
I was born in sin
well I was born in sin
born in. . .

I should try to get away from you
and destroy the demon in my view
but I like it
yeah, I like it

I should've been the first to know
this would be the way I'd go
but I guess I was the last to see
how I had walked this way

Yeah, I was born in sin
I was born in sin
and I was born in sin
born in. . .

I should try to get away from you
and destroy the demon in my view
but I like it
Yeah, I like it
I like it
I like it
I like it
I like it
I like it
