Matthew West, More

Take a look at the mountains Stretching a mile high Take a look at the ocean Far as your eye can see And think of Me

Take a look at the desert Do you feel like a grain of sand? I am with you wherever Where you go is where I am

And I'm always thinking of you Take a look around you I'm spelling it out one by one

(Chorus)

I love you more than the sun And the stars that I taught how to shine You are mine, and you shine for me too I love you yesterday and today And tomorrow, I'll say it again and again I love you more

Just a face in the city Just a tear on a crowded street But you are one in a million And you belong to Me

And I want you to know That I'm not letting go Even when you come undone

(Chorus)

I love you more than the sun And the stars that I taught how to shine You are mine, and you shine for me too I love you yesterday and today And tomorrow, I'll say it again and again I love you more I love you more

Shine for Me Shine for Me Shine on, shine on Shine for Me

(Chorus)

Ì love you more than the sun And the stars that I taught how to shine You are mine, and you shine for me too I love you yesterday and today And tomorrow, I'll say it again and again I love you more

(Chorus) Than the sun and the stars that I taught how to shine You are mine, and you shine for me too I love you, yesterday and today Through the joy and the pain I'll say it again and again I love you more I love you more

And I see you And I made you And I love you more than you can imagine More than you can fathom I love you more than the sun And you shine for me
