

# Matthew West, The Motions

This might hurt, its not safe  
But I know that Ive gotta make a change  
I dont care if I break  
At least Ill be feeling something

Cause just okay is not enough  
Help me fight through the nothingness of life

I dont wanna go through the motions  
I dont wanna go one more day  
Without Your all consuming passion inside of me

I dont wanna spend my whole life asking  
What if I had given everything  
Instead of going through the motions?

No regrets, not this time  
Im gonna let my hear defeat my mind  
Let Your love make me whole  
I think Im finally feeling something

Cause just okay is not enough  
Help me fight through the nothingness of this life

Cause I dont wanna go through the motions  
I dont wanna go one more day  
Without your all consuming passion inside of me

I dont wanna spend my whole life asking  
What if I had given everything  
Instead of going through the motions?

Take me all the way  
(Take me all the way)  
Take me all the way  
(Cause I dont wanna go through the motions)

Take me all the way  
(Lord, Im finally feeling something real)  
Take me all the way

I dont wanna go through the motions  
I dont wanna go one more day  
Without Your all consuming passion inside of me

I dont wanna spend my whole life asking  
What if I had given everything  
Instead of going through the motions?

I dont wanna go through the motions  
I dont wanna go one more day  
Without Your all consuming passion inside of me

I dont wanna spend my whole life asking  
What if I had given everything  
Instead of going through the motions?  
Take me all the way  
(Take me all the way)  
Take me all the way  
(I dont wanna go, I dont wanna go)

Take me all the way  
(Through the motions)  
Take me all the way

I dont wanna go through the motions
