

Maureen McGovern, Different Worlds

CHORUS:

Let the time flow
Let the love grow
Let the rain shower
Let the rose flower
Love it seeks, love it finds
Love it conquers, love it binds

We come to each other from different worlds,
Drawn to each other by the love inside of us
We give to each other our different worlds
As long as we can do it,
Life is gonna breeze right through it

CHORUS

We reach for each other from different worlds
With love for each other that will stand the test of time
We're up to the challenge of different worlds
With this love inside us,
There is none that can divide us

CHORUS

Love it seeks and love it finds
(Love it seeks, love it finds)
Love it conquers, love it binds
Ahhhhhhh, ahhhhhhh

Love it seeks, love it finds
Love it conquers, love it binds
