

# Maureen McGovern, Why Can't I?

Feeling the way I do,  
I'd like to say, "I do!"  
Heaving a heavenly sigh  
Everybody has someone  
Why can't I?

Creeping to bed alone,  
Resting my head alone  
Only my pillow nearby  
Some have a reason for dreaming  
Why can't I?

I feel forsaken  
On nights like this  
Can't I awaken  
To someone's kiss?

Two feet are ever cold  
Four feet are never cold  
I only mean to imply:  
Everybody has someone  
Why can't I?

Should girls be good girls?  
I think they should  
I need a good man  
To make me be good

Only my book in bed  
Knows how I look in bed  
Nobody hears when I cry  
Everybody has someone  
Why can't I?
