

Max Romeo, Let The Power Fall On I

Oh let the power fall on I, Far I
Let the power fall on I
Oh let the power from Zion fall on I
Let the power fall on I
Oh give I justice, peace and love, Far I
Give I justice, peace and love
Deh lie (?) how long will the wicked reign, Far I?
Give I justice, peace and love
So let the power fall on I, Far I
Let the power fall on I
O Zion - Oh let the power from Zion fall on I
Let the power fall on I
/instrumental break/
So let the power fall on I, Far I
Let the power fall on I
O Zion - Oh let the power from Zion fall on I
Let the power fall on I
Oh let the wicked burn in flames, Far I
Let the wicked burn in flames
Oh let the wicked burn to ash, Far I
Let the wicked burn in flames
And let the power fall on I, Far I
Let the power fall on I
O Zion - Oh let the power from Zion fall on I...
