

Max Romeo, Pray For Me

Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me, pray for me, pray for me
I once lived the life
Of a weakheart
No mercy did I ever see
I robbed and I killed
I lied for a thrill
Your forgiveness, O God, I ask
Listen to me now!
Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me, pray for me, pray for me
Pray for me now
Pray for me
Pray for me
In this troubled, sickened world
I stand alone, so
Pray for me
I'm weary, sad and worn
Your hands I lean upon
When the world - this world - seems all so drone
Will you pray for me?
Pray for me now
Pray for me, brother
Pray for me now
Pray for me, little sister
