

Maxeen, Good Enough

I've been there before
i'll be there again
i gave you my heart
you gave me a pen
though i long to be fair
and show you what's true
it's just a matter of time
til i lose you
good enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted still
i want to go out
but there's a clawing within
will i heed the past
and let the darkness win
thought i long to be fair
and show you what's true
it's just a matter of time
til i lose you
good enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted still
oh oh oh...
i'll end up broken-hearted still
good enough to be your boy
you're good enough to be my girl
no matter what move i emply
i'll end up broken-hearted still, oh
