

# Maxi Priest, Space In My Heart

All I really wanna do is get you babe and hold you tight never let you go.  
I promise you to close my eyes and wait a while and still find you there  
Caring about me instead of just wasting my time  
I gave you my heart was that not enough?  
There's a space in this heart babe  
Waiting for you  
When you find where you're going  
I'll be there too  
Yes I will baby  
I guess I never told you that I loved you babe but each moment was wrong  
And I would die ... if I never get the chance to show you how strong  
I gave you my heart (yes I did babe) was that not enough for you babe  
There's a space in this heart babe  
Waiting for you  
When you find where you're going  
I'll be there too
