

# Mayhem, Necrolust

Your stinking corpse I desire  
nothing can take me higher  
Fucking you till your bones break  
Another one has to die

Cum dripping from my dick  
Fucking you to the core  
Can't take this anymore  
My brain is driving me insane

Necrolust

Eating the flesh of a thousand corpses  
Bloodsucking cuntless nuns  
her guts were boiling out of her butt  
Eating her slimey cunt as I hold her tits

Come posercorpse and die again!
