## Mazzy Star, Rhymes Of An Hour

cannot hear what you're saying could I tell you so and I can't leave my troubles and I'm going home

(lie and) sleep under deep you know

while the cold winter waitin' while you (stumble home) all these things we were searchin' now we just don't know

(lie and) sleep under deep I think you know

for the rhymes of an hour now I'm goin' home and I can't believe I'm nothin' cause I'm coming DOWN

(lie and) sleep under deep do you know
